HORSEMEN NOTES: ALL entries are required to have a current negative coggins and health certificate for each pony entering the gate.

NO CARS permitted in the stable area, only trailers. Vehicles not pulling a trailer should park before the stable gate. Use the USPR pass emailed out to everyone, which also states this policy. Space is VERY limited for stable area parking and it is a race day for the TBs, licenced horsemen and TBs running that day have priority to stable parking.

ALL PONIES should be on site no later than 930AM. Shetland ponies will run after the first race, but all others will be finished by 11:30AM.

Leaders provided for ALL leadline entries, younger entries may have outside spotter. No official winner for Leadline, all riders receive a trophy
